SCRIPTA™ INSIGHTS

Your savings picture just got bigger. See it in the app.

You already use Scripta to find lower-cost prescription options at retail pharmacies. Now you can see those same savings opportunities at JPS pharmacies too, often where your lowest-cost option lives.

Three opportunities:

- **Compare in one place.** See prescription savings across JPS and retail pharmacies, side by side.
- **More ways to save.** Savings opportunities now include JPS pharmacies, so you don't miss your lowest-cost option.
- **Made for your meds.** Personalized recommendations based on the prescriptions you actually take.
